Dear Parent/Caregivers

Carbrook Paddock to Plate Jnr

After introducing Paddock to Plate Jnr to our Carbrook campus this year, it has been decided to bring the same program to Springwood for Year 5 students for the remainder of the year. Spaces are limited to 10 students.

Each week we will harvest fresh produce, if available, from the Happy Hens gardens and cook delicious meals. I will also bring produce grown in the Carbrook gardens. Students will be given a takeaway container or jam jar to take home. No promises that it will make it home.

The aim of this club is to teach students basic cooking skills while helping them to understand how to grow and harvest fresh produce. We will also discuss food sustainability and how fresh produce can look different shapes and colours.

This club will run on Wednesday's at second break at the Multi-Purpose Room. As we will need to purchase some ingredients for our cooking, there will be a cost of \$80.00 to participate in this club. This fee will cover the two terms of participation.

As mentioned above, involvement in this club is limited to 10 students. If your child would like to join this club, please complete the forms link [here](#).

If you have any questions in relation to this program, please feel free to email me at angela.haupt@calvarycc.qld.edu.au.

Kind regards

Farm Manager
